TITLE IV

FART B: 21ST CENTURY COMMUNITY LEARNING CENTERS

The 21st Century Community Learning Centers (Title IV, Part B) program supports the creation of opportunities for academic enrichment during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local standards in core academic subjects, such as reading and mathematics; offers students enrichment activities that complement regular academic programs; and offers literacy and other educational services to the families of participating children.

VDOE funds, through a competitive process, projects that provide significant expanded learning opportunities for children and youth, and that will assist students to meet or exceed state and local standards in core academic subjects.

2012-2013 Competitive Grant Program

Application Process

All 21st CCLC grants are awarded on a competitive basis. The deadline for submitting applications is April 27, 2012. VDOE will give priority to applications that meet any or all of the following criteria:
